As per the scope of work	MZN (..... Meticaís)	*	MZN (..... Meticaís)

6 CONTRACT QUALITY ASSURANCE

- 6.1 The Contractor has included in this Contract a Quality Assurance Program containing the overall quality management and procedures which the Contractor proposes to follow in the performance of the Works under this Contract during various phases.
- 6.2 Schedule G contains a detailed Quality Assurance Program to be followed for the execution of the Agreement.

7 COMPLETENESS OF THE AGREEMENT

- 7.1 All other works, which are additional and minor in nature, which may not have been specifically mentioned but which are absolutely essential or necessary for the efficient working of Transportation Services, shall be deemed to have been included in the Agreement and shall be performed by the Contractor without extra charge. Any additional obligations required for transportation of coal as per the Scope of Work, which obligations are minor in nature, shall be deemed to be included in all respects whether details are mentioned in the Specification/Scope of Works or not.
- 7.2 If any dozer of any specification is required for breaking of coal stockpile at the mine, to enable the transportation of coal or otherwise, the Contractor shall provide such service and this will be deemed to be included in the Contractual Price under this Contract.

8 FAILURE TO EXECUTE AGREEMENT

- 8.1 The Contractor, failing to execute the Services placed on it to the satisfaction of the Company under the terms and conditions set forth therein, will be liable to make good the loss sustained by the Company, consequent to the hiring of Services elsewhere through another entity/contractor at higher rate.
- 8.2 In the event of such failure by the Contractor, the difference between the price agreed in this Agreement and the price at which Services by another

entity/contractor have to be hired at a later date and higher rate, consequent to the non-fulfillment of the Agreement, will be recovered from the Contractor.

9 EQUIPMENT SPECIFICATION

All the equipment shall be of the best class, reliability and capable of satisfactory operation in tropics with humid atmospheric conditions, without distortion or deterioration.

10 SIGNING OF AGREEMENT

10.1 The Contractor shall furnish, before signing of the Contract/Agreement, appropriate power of Attorney or other relevant documents.

10.2 This Agreement shall be signed in two (2) originals, duly bound. One will be handed over to the Contractor and the other original shall be retained by the Company.

10.3 Notwithstanding anything contained in this Agreement, unless the coal produced or in stockpile is uneconomical to sell, the Company shall continue the operation.

11 MONTHLY SCHEDULE

The detailed monthly schedule of Road maintenance will be finalized by the Company in consultation with the Contractor one (1) week before the subsequent month.

12 PENALTIES

12.1 The Contractor shall own and maintain a fleet of Trucks/Trailers and Front-End Loader (FEL), including any required ancillary equipment for Road maintenance, etc., commensurate with the targeted levels throughout the contract period.

12.2 In case of failure by the Contractor to mobilize the fleet of Trucks/Trailers, Front End Loaders, equipment and manpower within the stipulated mobilization period (as per

the Mobilization detail provided by the Contractor or, in the absence of such Mobilization detail provided by the Contractor, within 15 days from the Contract Execution Date), the Contractor shall be liable to pay the Company, as penalty, a sum corresponding to 0.5% (half percent) of the Total Contract Value for every week (7 days) of delay or part thereof provided always that the total amount of penalty for delay to be paid under this condition shall not exceed 5% (five percent) of the Total Contract Value.

- 12.3 Furthermore, the Company reserves the right to engage an outside entity/contractor/party to remedy the shortfall situation and the entire cost for such arrangement shall be recovered from the Contractor.
- 12.4 No idling charges or compensation of any kind will be payable to the Contractor.
- 12.5 Any stoppage or suspension of work for any reason, including but not limited to breakdown of any machinery or manpower issues (except Force Majeure), should not be the ground for non-fulfillment of the target. Contractor should maintain fleet level in such a way that the achievement of daily rates is not hampered due to breakdown of equipment.
- 12.6 The Company may, without prejudice to its any other method of recovery, deduct the amount of such penalty from any money in hands, due, or which may become due, to the Contractor under the Agreement or from any other contract between the Contractor and the Company. The deduction of such penalty shall not relieve the Contractor of his obligation to complete the works and demonstrate the performance of any of his other obligation and liabilities under the Contract.
- 12.7 The Company, if not satisfied with the progress of the mobilization, the transportation service, or the compliance with any of the terms of the Agreement and in the event of failure of the Contractor to recoup the delays in the mutually agreed time frame, shall be entitled to terminate the Agreement.

- 12.8 In the event of such termination of the Agreement, the Company shall be entitled to recover, through a penalty up to ten per cent (10%) of the Total Contract Value and forfeit the Performance Bank guarantee submitted by the Contractor besides getting the work completed by other means at the risk and cost of the Contractor.
- 12.9 The penalties above can be applied whether separately or cumulatively.

13 MEASUREMENT OF QUANTITIES FOR PAYMENT

- 13.1 Measurement of quantities shall generally be in accordance with the prescribed standards or such other standard acceptable to both the parties. The volume of material (coal) moved shall be the difference in absolute volume from the original agreed starting surface, calculated on a month-by-month basis.
- 13.2 Payment for Road Maintenance from CHPP to the designated Rail Siding, during a month, shall be based supervision which shall form the basis for monthly invoicing. This is without prejudice of the final monthly invoice which shall be issued taking into account any penalty for shortage in the quantity of service.

14 NON-EXERCISE OF POWER NOT TO CONSTITUTE WAIVER

It is agreed that in any case in which any of the powers conferred upon the Company by the provisions of the Agreement becomes exercisable, and the same is not exercised, the non-exercise thereof shall not constitute waiver of any of the conditions thereof, and such powers shall notwithstanding such non-exercise be exercisable in the event of any other case of default by the Contractor, for which by any clause or clauses thereof is declared liable to pay compensation and the liability of the Contractor for past and future compensation shall remain unaffected.
