Queries and Replies:

Query 1: Reference is made to the above mentioned call for expression of interest. One of the requirements stated in the documents made available says that the applicants should have a consultancy Alvará of 4th Class in possession or should commit to obtain this Alvará within certain period. The Portuguese version specify this period as one (1) **year** after issuing the EOI and the English version states this period as one (1) **month**.

a) Please advise which of the two is correct?

Reply 1 a): The right period is one (1) month as per the English version. Hence, consider it one (1) month.

b) Taking into consideration that we are at EOI stage, would it be possible to wave this requirement to the request for proposal stage?
